

Meet the Alliance's Technical Support Team:

Hi, I am Alexandra (Alexa) Humphreys, the Assessment Advisor for the GNC Technical Alliance's Technical Support Team (TST). I support practitioners to improve the quality of nutrition assessments. Recently with TST I have been remotely supporting an FSL and IYCF assessment in Turkey for the [NGO Welthungerhilfe](#) and supporting the revision of the quantitative survey guidance for the [Link NCA Methodology](#).

Previously I worked as the Tech RRT Assessment Advisor and before that as Flying Nutrition Assessment and Evaluation Expert for Action Contre la Faim France. I have multi-regional survey experience in English and French and have led or supported assessments in Nigeria, the Democratic Republic of the Congo, Bangladesh, Madagascar, Afghanistan, the Central African Republic, and Zambia. My expertise includes nutrition assessment implementation, coaching for capacity strengthening, quantitative data analysis, and optimizing electronic questionnaires for field data collection.

I am passionate about producing high-quality results that translate into action. I have an MSc from Tufts University in Food Policy and Applied Nutrition with an emphasis on Humanitarian Assistance and a BA in Sociology
